Five-Year Plan Mission and Goals Progress:

The mission of the Munising Housing Commission is to be the area's affordable housing of choice. We provide and maintain safe, quality housing in a cost effective manner. By partnering with others, we offer rental assistance and other related services to our community in a non-discriminatory.

Progress: With the use of Capital Funds, we are maintaining safe, quality housing in a cost effective manner. By continuing to participate in the Capital Improvements Program we are able to keep the buildings and units in excellent shape. We are continuing to partner with other agencies to coordinate services and have noticed a drastic improvement in services offered and cooperation in sharing information between our agencies.

Provide a safe and secure environment in the Munising Housing Commission's public housing developments.

Progress: We have added more outside lighting and have a cooperative agreement with the local police. We are continuing to research different ways of providing safety from harm and crime. Our aggressive screening process has been very successful, however we still have room for improvement.

Expand the range and quality of housing choices available to participants in the Munising Housing Commission's tenant-based assistance program.

Progress: Although we haven't accomplished this goal to date, we have had success with the over-issuing of vouchers to make up for shortfall months or anticipated shortfalls. We continue to attract new landlords and cooperate fully with the Michigan State Housing Development Authority in referrals to allow for a speedy voucher issue to families in need of housing assistance.
